

# Weymouth Township Municipal Utilities Authority

Application:         For Initial Appointment  
                          For Re-Appointment (Consecutive term)  
                          For Re-Appointment (Non-consecutive term)

Function: The Weymouth Township Municipal Utilities Authority (WTMUA) is a self-financed agency, appointed by Weymouth Township's Township Committee. The WTMUA oversees the operation and function of water and septic services provided by the Hamilton Township Municipal Utilities Authority to service recipients in Weymouth Township. The WTMUA:

- sets rates,
- approves applications for water and septic connections,
- maintains water and septic lines, plus fire-hydrants, and
- authorizes payment for water and septic services to the Hamilton Township Municipal Utilities Authority.

Composition: The WTMUA historically has been composed of owner-users of the water and septic services provided by the WTMUA. The WTMUA consists of:

Chairperson (voting member)  
Vice-Chairperson (voting member)  
Treasurer(voting member)  
2 Full Members (voting member)  
2 Alternates (voting members)  
Secretary (non-voting)  
Engineering Consultant (non-voting)  
Legal Counsel (non-voting)
