

MAYOR'S CORNER

By now you know that the State of New Jersey has slashed the amount of state aid to our Weymouth Twp. school. in the statewide effort to cut the number of school districts in half, they will cut the aid for the next five years and eliminate all K thru 8 districts. In an effort to deal with the impact that this will have on our children and taxpayers, we have begun a series of meetings with officials from both Weymouth and Estell Manor. For now these are non-quorum meetings with two school board members, administrators, and an elected official from each town. We are working on options and we will soon be seeking input from our community. Nothing has been decided yet and I know the rumor mill has been working overtime. The decisions will be made by the school board and I have confidence that they will do what is best for our community.

The paving of 13th Ave. is complete from the county line to Tuckahoe Rd. The paving of 14th Ave will start toward the end of summer. These two projects were paid for with grant money.

The installation of a sidewalk on the east side of Rt 50 in Belcoville will start in August/ September. It will run from the traffic light at Grant and Rt. 50 to the Belcoville/ Hamilton Twp. border. (near the Rt. 50 deli sign)

The outdoor improvements to the Municipal Building have been completed. These improvements were the resurfacing of the parking lots and the installation of storm drains. This work eliminated the flooding and ice problems in our parking lots. The indoor improvements will be repairs to the HVAC system and repairs to the floor.

FIREWORKS!!!

What would the 4th of July be without the Fireworks? We have one of the best displays around! Bring your blanket or your lawn chair and settle back to enjoy the sight and sounds of a truly marvelous Birthday Tribute to the U.S. Of A!

Memorial Day Services Monday May 27

Weymouth Municipal Bldg. 9:00 am
Estell Manor School 9:45 am
Belcoville Post Office 10:00 am

Dorothy Vol. Fire Co Chicken BBQ
Sunday June 2 @ 12 noon.

The Fourth of July Weymouth / Estell Manor fireworks will be held on Thursday July 4 at dusk. Best seats are at the municipal building on South Jersey Ave. Just a reminder, if you are going to park along Tuckahoe Rd. or South Jersey Ave., please stay a safe distance from the train tracks.

The Red Cross Blood Drive will be on Wed. August 21 at the Weymouth Municipal Building from 1pm to 7pm. If you want to make an appointment, call me at 609-476-2127.

The end of the school year and summer vacation are almost here. Please drive with care. Weymouth still has kids that ride bikes with fishing poles and baseball bats or are just out on the days adventure.

ATTENTION PARENTS OF PRESCHOOLERS

Do you have a 3 to 5 year old child? Are you noticing any problems in you child's development such as:

- Do medical reports reflect a condition that will impact your child's ability to progress in school?
- By age 4, is your child not talking in short sentences?
- Is your child's speech and/or language not understood by most of the people outside your family?
- Is your child unable to perform simple tasks or is your child developmentally delayed?

Help is available. To be eligible as a preschool child with a disability, your child must be 3 to 5 years old and qualify for the program on the basis of an approved state assessment conducted by the Child Study Team and found eligible, For questions contact the Weymouth Township School Child Study Team at 476-3921.

MEMORIAL DAY OBSERVANCE
Monday, May 27th, 2019

The VFW Post along with Boy Scout Troop #99 will observe Memorial Day with services at the Dorothy War Memorial located at the Municipal Building, 45 South Jersey Avenue at 9:00 AM. They will then proceed to Estell Manor Elementary School for a 9:45 service and on to the Belcoville War Memorial located in front of the Old Post Office, 1201 Madden Avenue at 10:30 AM.

This is a solemn remembrance of our veterans who gave their lives for their country and your freedom. What a great way to educate your children about honor and sacrifice and to pay respect to our fallen military members. Please try to attend one of these services.

SPECIAL EVENT ACTIVITIES WHICH ENRICH THE LIVES OF ALL OUR RESIDENTS CAN ONLY HAPPEN WITH YOUR SUPPORT AND DONATIONS!

Christmas Tree Lighting, Egg Hunt, Fourth of July Fireworks, Weenie Roast, Comm. Yard Sale

Consider a pledge of your time, talents and/or monetary donation to support our memorable hometown celebrations! Please include this slip with your check made out to Weymouth Township Special Events and mail or drop off at: Township of Weymouth, 45 South Jersey Avenue, Dorothy, NJ 08317

NEW JERSEY 2020 Census Jobs

2020census.gov/jobs

Enumerator/Listener and Census Field Supervisor (\$16.50/hour and \$24.00/hour)

Enumerators/Listeners, also known as census takers, conduct research on behalf of the U.S. Census Bureau. They collect household and demographic information by canvassing assigned areas, documenting and reporting the results they find. Census Field Supervisors oversee the work of approximately 10-15 Enumerators.

Office Operations Supervisor (\$17.000 to \$21.50/hour)

As an Office Operations Supervisor, you will be responsible for the supervision of the day-to-day activities of the office clerks who support payroll, recruiting or supply management. Also monitoring the quality of work including the status and production.

Recruiting Assistant (\$18.00 to \$23.00/hour)

Recruiting Assistant promotes Census jobs in assigned areas and in local communities. Assists with locating free space with access to computers to assist applicants with online application/assessment. Locates free space to hold operational training sessions. Informs supervisor of recruiting results and ongoing community relations.

Clerk (\$13.00 to \$17.00/hour)

As a Census Clerk, you will perform a variety of office duties that support field activities. Clerks are vital to the successful performance of a Local Census Office. (LCO)

USAJOBS.gov

Area Census Office Manager (\$28.00 to \$35.50/hour)

As an Area Census Office Manager, you will be responsible for the general supervision, administration, planning, development and successful implementation of census operations and field which include interviewing job candidates, evaluating employees and taking appropriate actions regarding hiring, promotion and reassignment

Administrative Manager (\$20.50 to \$27.50/hour)

As an Administrative Manager, you will be responsible for supervising and managing the payroll, supply requests and other administrative activities. You will monitor the day-to-day selection, personnel and payroll activities while also reviewing completed work for accuracy and assuring that time schedules are met

Information Technology Manager (\$20.00 to \$27.50/hour)

As an Information Technology Manager, you will be responsible for leading all office and field automation efforts, evaluating, analyzing and coordinating resources and providing technical guidance to efficiently support all ACO activities with available equipment. Also supporting managers and employees on software, hardware, and automation operations.

Recruiting Manager (\$20.50 to \$27.50/hour)

As a Recruiting Manager, you will be responsible for the management, supervision and recruitment of qualified applicants. Preparing ACO recruiting plans to ensure that staffing and hiring needs are met for all field and office positions and monitoring the applicant pool to ensure it contains sufficient numbers of qualified applicants to fill all field and office positions in all geographic areas of the ACO.

Lead Census Field Manager (\$24.00 to \$30.50/hour)

As a Lead Census Field Manager, you will supervise Census Field Managers, acting as a facilitator ensuring work is evenly spread among Census Field Managers and ensuring completion of field work is done cost-effectively and in a timely manner. Ensuring quality and progress are being met by reporting and observing.

Census Field Manager (\$20.50 to \$27.50/hour)

As a Census Field Manager, you would be responsible for interviewing candidates for Census Field Supervisor positions and office support clerks, also providing group and individual training, monitoring daily assignments, providing advice and guidance to staff. The main tech advisor in field operations and answering inquiries from the Area Census Office Manager and Census Field Supervisors

Area Manager (GG-13)

As an Area Manager, you will be responsible for approximately six Area Census Offices within the New York Region. Each of these ACOs have office employees and work at home employees. A typical Area Manager would have responsibility for 250 office employees, including managers, and 1000s home based employees, the largest group of which is enumerators. The ACOs on Long Island, NY (Garden City and Brookhaven) and in Queens, NY (Central Queens, Northeast Queens, Northwest Queens, and South Queens) would be an example of a metro-area based assignment of six ACOs where the amount of land covered is small, but is densely populated. You could also have an area that covers large amounts of land and is more rural in nature. An example area would be Buffalo, Rochester, Syracuse, Albany, Newburgh and Peekskill, all in New York.

Partnership Specialist (GG 7/9/11/12)

As a Partnership Specialist, you are responsible for developing partnerships within your assigned geographic area with state, local and tribal governments, community-based organizations, faith-based groups, schools, media outlets, businesses and other grassroots entities in communities

Regional Technician (GG 7/9/11/12)

The Regional Technician is the RCC's "jack of all trades" and is responsible for assisting with training recruiting, field operations and monitoring cost and progress. A regional technician in the New York region will answer technical questions and is to be trained for all phases of the census field and office operations, including training developed for both RCC and ACO management staff. Each Regional technician will be assigned an area to monitor and analyze to identify potential recruitment sources and difficult areas for enumeration.

For more information, please contact:

New York Regional Census Center Recruiting, new.york.rcc.recruiting@2020census.gov 212-882-

IF YOU WASH
YOUR CAR IN THE DRIVEWAY,
YOU MIGHT AS WELL WASH IT
IN THE LAKE.

Rain washes pollutants into storm drains which
flows directly into our streams, lakes,
rivers and the ocean.
So what can you do?

CLEAN WATER
It's Up to You New Jersey

www.cleanwaterNJ.org

WHAT'S THE PROBLEM WITH WASHING YOUR CAR?

Washing your car on a paved surface can allow the soapy wash water and other pollutants, like oil and grease, to run off into a storm drain. Most soap contains phosphates and other chemicals that, in large amounts can contaminate your drinking water, as well as kill fish, wildlife and plants. The soap, together with the dirt and oil washed from your car, flows into nearby storm drains, which flows directly into lakes, rivers and the ocean. The phosphates from the soap can cause excess algae to grow, which can be harmful to the water quality.

YOU CAN HELP!

- Take your car to a car washing facility, rather than washing it yourself. Commercial car washes treat and recycle the water.
- If you can't get to a car washing facility, wash your car on an unpaved surface and use biodegradable soap.
- Organize a Car Wash Fundraiser for a local organization. Visit www.cleanwaterNJ.org to learn how.

WHY SHOULD YOU CARE ABOUT CLEAN WATER?

Stormwater pollution is one of the greatest threats to New Jersey's clean water supply. Clean water provides access to safe drinking water, places for recreation, commercial opportunities, healthy wildlife habitats, and adds beauty to our landscape. Rain washes pollution from streets, parking lots, and lawns into storm drains, then directly to our streams, rivers, lakes and oceans.

Did you know more than 60 percent of water pollution comes from things like motor oil, fertilizers, pet waste, and detergents? By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater.

CONGRATULATIONS!!!
